Red & Charline McCombs Field

One of the top facilities in all of collegiate softball opened on Feb. 7, 1998, when a then-sellout crowd of 1,251 walked through the gates of Red & Charline McCombs Field, the new home of The University of Texas softball program. Like all of UT's construction projects, McCombs Field represents UT's continuing commitment to provide Longhorns student-athletes with the finest facilities in the country.

The $4.5 million complex originally sported all of the amenities of a first-class stadium, with spacious home and visiting team dugouts and locker rooms, along with coaches suites, team meeting areas and an umpire locker room, as well as a fully-equipped athletic training room in the home locker room. A unique feature of the home and visiting locker rooms was their direct access to the dugouts.

The NCAA regulation-size field sports the finest grass and clay infield, which was laser leveled in the summer of 2004, available.

In the fall of 2005, the facility underwent a face-lift as a new study area was constructed in the Horns' locker room, the athletic training room was equipped with a state-of-the-art whirlpool, equipment storage was added both inside and out and the press box was redesigned to accommodate the growing media attention.

In 2009, McCombs originally installed an LED scoreboard with full video capabilities.

The press box underwent another renovation in the fall of 2012 as a television broadcasting booth was constructed and two radio booths were added.

The field surface was replaced in the Summer/Fall 2017 and re-leveled to provide better drainage while sections of artificial turf were added down both foul lines. New fencing and padding were added to the outfield and along both bullpen areas to provide a new aesthetic.

Construction on a new Performance Development Center addition down the left field line began in September/October 2019, while a larger improved LED scoreboard was added prior to the start of the 2020 season.

On Friday, Oct. 30, 2020, Texas Athletics officially opened the Performance Development Center. Located down the left-field line, the approximately $13.5 million dollar, 10,000-plus square foot project featured indoor batting cages and pitching mounds. It provided Longhorn student-athletes with a brand new locker room, players' lounge, team meeting room and nutrition station. The center also incorporated an upgraded training room as well as an office suite and locker rooms for coaches and staff.

When fans and opponents arrive at McCombs Field, they are treated to unobstructed grandstand seating, a concessions area and accessible parking.

The fan-friendly atmosphere at McCombs Field has attracted some of the nation's top crowds since its opening. Year in and year out, McCombs Field welcomes thousands of Longhorns faithful to witness some of the best collegiate softball.

In fact, Texas has been ranked in the top 32 nationally in total attendance every season that rankings have been produced since opening McCombs Field in 1998.

In 2026, additional bleachers were added to the first base side, which will allow for another 300+ fans to pack McCombs Field for the reigning WCWS National Champions.

The field and complex area were named in the spring of 1997 for the late Texas businessman Red McCombs and his late wife, Charline, generous benefactors to The University of Texas.

Cat Osterman - National Honors

NATIONAL COLLEGIATE PLAYER OF THE YEAR: CAT OSTERMAN (2003, 2005, 2006)

During her four years on the Forty Acres, Cat Osterman was named USA Softball National Collegiate Player of the Year three times and is recognized as one of the top softball pitchers in the world. Osterman was the youngest member of the U.S. Olympic team to bring home a gold medal from Athens in 2004, and the 6-foot-2-inch lefthander set the NCAA career record for strikeouts-per-seven innings (14.34), as well as ranking No. 2 all-time in career strikeouts (2,265) and career shutouts (85). While leading the NCAA as a senior in 2006 with an ERA of 0.42 and 15.4 strikeouts-per-seven-innings pitched, Osterman finished 38-4 with 28 shutouts and five no-hitters and led 55-9 Texas to a Women's College World Series berth for the third time in her Longhorn career. She was inducted into the Texas Sports Hall of Fame in February 2013 and had her No. 8 jersey officially retired at Texas on April 16, 2022.

Osterman broke virtually every University of Texas school pitching record, as well as several Big 12 Conference records. As a freshman, she pitched the first perfect game in UT softball history -- the first of her seven career perfect games and just one of her 20 career no-hitters. As a sophomore, she was named USA Softball Collegiate Player of the Year after leading the Longhorns to their second-ever Women's College World Series appearance. In her junior year, she posted a season record of 30-7 with an NCAA Division I-leading 0.36 ERA, pitched 22 shutouts and six no-hitters with three perfect games to again garner Player of the Year laurels and a return trip to the World Series.

Osterman was a four-time National Fastpitch Coaches Association All-American and four-time Big 12 Conference Pitcher of the Year -- becoming the first Big 12 student-athlete across all sports to earn a player of the year honor four times. In addition, the psychology major was a three-time member of the Academic All-Big 12 Team.
